PROPOSAL TO PARTICIPATE IN CAREER FAIR - AVENIR 2026

EXECUTIVE SUMMARY

Career Exhibition AVENIR 2026 is a premier initiative designed to provide students, parents, and educators with a one-stop platform to explore higher education opportunities, career pathways, and academic programs from leading local and international universities. Hosted by Indian School Seeb in Muscat, and organized by Nexus Novel Advertising, the exhibition is supported by Times of Oman, T FM, and MMG Digital Platforms as official media partners.

The Exhibition goes beyond a traditional career fair as it integrates knowledge sharing, networking, and visibility. A unique highlight of AVENIR 2026 is a dedicated Career Fair Magazine, distributed to all visitors, where participating universities can showcase their strengths through institution features, program highlights, exclusive offers, Dean Profile, ensuring long-lasting visibility even after the event.

This proposal outlines the Objectives, Benefits for Stakeholders, Event format, and Strategic partnerships, along with sponsorship and participation opportunities. With Oman emerging as a hub for education and professional growth, AVENIR 2026 promises to be a cornerstone event in shaping students' futures while giving universities unmatched exposure and credibility.
